1

I walked into the back door and saw my sisters sitting at the table with a bunch of marbles.

I said to them,  
**"What are you doing?"**  
"Is that a new game?"

I walked into the back door and saw my sisters sitting at the table with all of my money.

I said to them,  
**"What are you doing?"**  
"Where did you get that?"

2

My little brother knocked softly on the door. He came in and asked me,

"Do you want to play outside?" I looked up and said,

**"No, I can't. I have a test."**  
"Have fun."

My little brother barged in my room for literally the tenth time and asked me again,

"Do you want to play outside?" I looked up and said,

**"No, I can't. I have a test."**  
"Now, leave me alone!"

3

I visited the zoo with my family. I like the zoo, but we go all the time.

We got to the panda exhibit. My mom asked where the baby panda was. I answered,

**"Look, I see it. It's by the tree."**

I visited the zoo with my family for the first time. I've always loved baby pandas. There's a panda exhibit here.

My mom asked where the baby panda was. I answered,

**"Look, I see it! It's by the tree."**

I got new red glasses yesterday. Red is my favorite color, and my glasses are super cool. I wore them to school for the first time. Everyone asked if my glasses were new. I told them, **"Yeah, I just got them."**

I got new red glasses yesterday. I hate them. I know everyone is going to tease me. I wore them to school for the first time. Everyone asked if my glasses were new. I told them, **"Yeah, I just got them."**
